Are you taking any medications: Yes _____ No _____ (if yes please list) _____

List any other medical conditions or learning disabilities: _____

Our goal in this program is to prepare competent, skillful and responsible young drivers who will have the right attitude toward safe driving. However, understand that completion of this course does not imply that your son/daughter is an accomplished driver. No one can be considered a skilled driver until he/she has driven for several years.

The following conditions must be understood before enrolling.

1. Course consists of minimum of 14 periods of Behind-The-Wheel instruction for students under 18 years of age. (7 periods of observation and 7 periods of actual driving) Cost will be \$300.00 payable by check or money order to Steiner Driving School.
2. Additional Behind-The-Wheel lessons are available at \$60.00 per lesson. (Lessons are sixty minutes long, this includes retest).
3. Pick up available at local High Schools, Liberty, Fauquier and Kettle Run.
4. Students 17 years of age and under are required to complete a state approved driver's education program, which is 36 hours of classroom instruction. (Students 19 yrs of age and older may hold their learner's permit for 30 days in lieu of completing a driver training course).
5. A refund of all fees paid will be made, upon request, if school is not capable of or willing to begin instruction within 30 calendar days from the date agreed to in the contract.
6. This contract is valid for 12 months from the first driving lesson.
7. A minimum of 24 hours is required for cancellations of Behind-The-Wheel lessons; in cases of emergency please notify us as soon as possible.
8. Behind-The-Wheel Course can take up to four weeks to complete.
9. Students will be notified by phone in the event the school cancels classes. Cancelled classes will be made up as time slots become available.
10. School does not guarantee that any student will pass the state license examination or that the student can secure a license or that student will be guaranteed employment upon completion of any course instructions.
11. A \$35.00 fee will be charged for any non-sufficient fund or stop payment check that is returned by a bank. Issuer of the check will be responsible for legal expenses.
12. Sleeping or cell phone usage is not allowed during driving or observation.
13. **Attitude and Maturity** are an important part of this course. Any student who is found to be **DISRUPTIVE** or **DISRESPECTFUL** to instructor, other students or anyone associated with Steiner Driving School shall be dismissed by the instructor at the instructor's discretion with no refund.
14. Any student suspected of being under the influence of alcohol or drugs while attending class or road instruction will be immediately dismissed from the program. A conference will be held with their parents/guardian as well as the local law enforcement officials being contacted. And **NO REFUND** from the program will be given.
15. It is the responsibility of the student or in case of minor the parent/legal guardian to report the Department of Motor Vehicles any concerns regarding school facilities, instructor behavior or quality of instruction provided by the school.
16. Before you receive your Provisional Drivers License you must complete and turn in to your instructor your 45 hour log. That is 30 daylight hours and 15 hours of after sunset signed by your parent or legal guardian.

17. Student must complete at least 20 hours of log time before driving with an instructor.
By signing this contract you agree that you have read and agree with the conditions listed in this contract and will be abide by all conditions:

It should be emphasized that successful completion of a driver education program does not and should not imply that your child is a safe accomplished driver. During the course, students are instructed in the basic skills necessary for the safe operation of a motor vehicle. However, as with any skills it is only with repeated practice that the skill is developed and perfected. Your continued work with your son/daughter is essential to further development of sound driving skills. It is mandatory that you provide your child with a minimum of 30 daylight hours and 15 after sunset hours of additional supervised behind-the-wheel driving conducted before the program completion. As a parent, you must make the ultimate decision to determine if your child is ready to handle the responsibility of operating a motor vehicle.

I, _____, the parent or legal guardian of _____ agree that my son/daughter may be provided in-car instruction on an individual (one-on-one) basis with only the instructor and the student present in the vehicle and observation time required with student/instructor. This waiver shall be effective for all in-car lessons. I understand that the School will make every effort to schedule with more than one child in the vehicle. I also acknowledge that all behind-the-wheel training will be with a certified instructor. And instruction will be given in a dual control vehicle, which has a dual brake pedal on right hand side for instructors use, an extra rear view mirrors and student driver sign posted on vehicle.
